

HARMONY PRIMARY & NURSERY UNIT

Thank you to all parents/carers who attended their child's teacher consultations this week. They are so important and a great way for us to work together, this is what will help our children achieve their full potential.

We had a very positive visit from our district inspector this week who was very impressed with our wonderful children and the school environment, well done everyone.

Well done to our footballers whose behaviour was excellent at Shankill Leisure Centre and everyone played so well.

Have a lovely weekend, Mrs E. Johnston
