

With the ideas of the whole school community, governors, teachers, teaching assistants and pupils our school has prioritised the areas below. These are the key ideas we want to make better this academic year 2024-25.

	What we want to make better:	What will happen to make this better:
<p>Parent/Family & Community</p> 	<p>The involvement of our Parents/Guardians/Families and Community will be a key focus for our School.</p>	<ul style="list-style-type: none"> Our parents/guardians & families will be given the chance to meet and work with our new class teacher at the start of the new school year. Our Parents/Guardians can become involved in our New Governors or in our PTA. Our Parents/Guardians will be invited to come to workshops to help them learn what we are learning in class too! Our Parents/Guardians will be informed of our School Values and to share with class teachers if we demonstrate these values at home
<p>Pupil Voice</p> 	<p>The way that our pupil voice and ideas are listened to as part of our learning and school life.</p>	<ul style="list-style-type: none"> Our school councillors will meet with Mrs Herron, keeping us up-to-date with changes, sharing our own ideas and feeding back information from our teachers. Class teachers and Head of Key Stages (Mrs Grimason P1 & 2, Miss Marshall P3 & 4 and Mrs Hughes P5, P6 & p7) will meet with some pupils to see how they are progressing in Literacy Mrs Winstone (Learning Support teacher P1-3) and Mrs Warnock (Learning Support teacher P4 - 7) will meet with pupils to chat about their Personal Learning Plan and targets

We will discuss and evaluate our written work together with our class teacher. Together we will decide what needs to be improved to help us progress in our learning. We will,be able to tell other members of staff and our parents/carers our achievements in writing and the areas we need to work on.
<p>School Values</p> 	<p>For all pupils to know our school values and how to show these through our words and actions</p>	<ul style="list-style-type: none"> Mrs Johnston will take Friday assemblies focusing on each one of our 5 School Values Co-operation Compassion Respect Equality Open Mindedness We will complete classroom activities using PIXL (online resource) to understand each of the values and how we can show them through our actions and choices We will be praised and rewarded if members of staff notice us demonstrating the values in our classroom, playground, in school and outside of school
