

Good luck to our P7 pupils who will be sitting their first SEAG paper on Saturday. We are super proud, do your best and be proud of yourself.

Over the next few weeks, running up to Christmas, we have many events happening in school. Please keep an eye on Facebook & Seesaw as reminders will be posted regularly. We had a visit from the British Council this week, with a number of delegates from Scotland, Wales and England. I was able to tell them the important work we do in Harmony to help to develop links with the community. They were very impressed and commented on how well mannered the children were around the school. Well done everyone.

Friday 22nd is the last day for Panto money to be collected.

If you have any unwanted clothing items we will be having a Bag to School collection on Friday 22nd, please speak to Ms McCullough regarding this

I hope you all have a fabulous weekend, Many Thanks, Mrs E. Johnston
